ISLAY SPRING WATER

12

A new addition to the core range

Bruichladdich 12 years old is a new addition to our core range which currently includes 10, 15 17 and 20 year old

Jim McEwan, our Master Distiller, has personally selected oak casks from the Bruichladdich warehouses and carefully vatted them together to create an individual style or cuvée, which is full, rich and complex, with warmth and balance.

Like all our bottlings, this First Edition Bruichladdich 12 Year Old is caramel free. After maturation in our shore-side warehouses, it has been bottled at 46% without chill-filtration in the Distillery, using Islay spring water.

- First edition 12 year old
- Casks selected by Jim McEwan
- Not chill filtered
- Caramel free
- Bottled in the Bruichladdich Distillery using Islay spring water

- Cask Refill Spanish Oak
- Colour Bright golden syrup.
- Body Medium weight and texture. Composed with beautiful balance offering the best combination from the Jerez and Kentucky casks.
- Nose It's like walking into a garden/orchard after a shower of rain and the sun is warming the air. The floral/fruit notes are incredible. Pink candied almonds, soft marshmallow, Madeira cake, carnations, apple blossom, lilac, myrtle. A beautiful citrusy aroma wraps it all up in fresh linen, but not before the mighty oaks play their part, adding weight, power and performance. Simultaneously strong and scintillating.
- Palate The toasted sweet oak flavours burst onto the palate, confident in their quality, strong and flavoursome, flooding the palate with Islay character and warmth. You have to wait just a little for the richness and fruitiness to emerge. Look for lip-smacking black cherries towards the finish. An absolute thoroughbred.
- Finish The interplay of oak and spirit plus its youth provide a finish of depth and finesse.
